

Joslin Pediatrics  
Invites Families to our  
6<sup>th</sup> Annual

# Teddy Bear Clinic

at the American Diabetes Association's  
**Boston Diabetes Expo**

At the World Trade Center across from  
the Seaport Hotel  
**Saturday, March 14**  
**10AM-4PM**

The Teddy Bear Clinic is an opportunity for young patients, their friends, and their families to explore health care experiences and to learn about healthy habits and some diabetes basics.

This year, the Teddy Bear Clinic is being held as part of the Boston Diabetes Expo at the World Trade Center across from the Seaport Hotel. Children should bring a stuffed animal to visit several craft and medical play stations, and families will also be able to visit all the informational exhibits and talks at the Expo!

**Admission is FREE for the Teddy Bear Clinic and Expo!**  
Please RSVP by March 7 at (617)732-2699 x4529 or
